Special Tool Trolley

771190314a WT/LR & 771190324a WT/LS

15.0 kg, 33.07 lbs. , W/H/D 585/457/381 mm

Extremely sturdy, tool trolley resilient to loads and made of polypropylene for professional use.
5 easily removed lockable drawers with transparent covers, with end stops for the extendible rails,
3 different drawer heights. Drawers can be inserted in any order.
With one top cover and one front cover, both folding.
The top cover is fitted with napped foam to hold tools firmly in place.
One removable tray with 2 handles and 2 transparent drawer covers under the top cover.
Drawers can be used as separate tool boxes using the transparent cover.
Tool case and drawers can be individually marked.
2 smooth-running twin castors on the telescopic-handle side
Adaptable for vertical transport using 4 castors, R 13217 Set of castors (please order separately).
Extendible telescopic handle facilitates transport.
2 carrying handles at the sides. Resistant to Skydrol, acetone, petrol and hydraulic fluids.
Carrying capacity 60 kg.3 locking positions with padlock.

Color & type samples

Optionally, all the colors listed can be supplied as reflecting shades. Extra costs on Request.
